Dear Sir,

I am eager to apply for the Software Development Engineer (SDE) at your company. I am drawn to this company because of its reputation for pioneering technology and fostering a dynamic and collaborative environment. I am confident that my passion for innovation and continuous learning will enable me to contribute effectively to your team.

Please find attached my resume for your review. I am excited about the opportunity to bring my skills and enthusiasm to your company. Thank you for considering my application. I look forward to discussing how I can be an asset to your team.

Yours truly,

Aditya Pachpute
